

In your busy, sometimes chaotic, fast paced life, do you wish you could step away for just a few minutes of quiet? We are entering the season of Lent and we know that even Jesus periodically needed to "go away" from the crowds alone for prayer, meditation, and restoration. Covenant Community Church, on Route 15 in Essex is offering just that. Our sanctuary will be available to you every Thursday evening beginning February 15th through March 14th from 6:30 to 7:30 PM. No program. No agenda. Just a lovely quiet space to "get away". Come. Rest in our sanctuary for as much of the hour as you choose. We'd love to share our space with you.
